The Academy of Psychosomatic Medicine, and especially its 2012 Annual Meeting Committee, welcome you to the 59th Annual Meeting, this year held in Atlanta, Georgia at the four-star Atlanta InterContinental Buckhead hotel.

Atlanta is easily accessible, and we will essentially have the Intercontinental Buckhead to ourselves at a considerably discounted room rate ($150/night). Regular attendees of Academy meetings seem to highly value our strong scientific program and lovely venues.

Three plenary speakers have been confirmed for lectures on Thursday, Friday, and Saturday:
- Laura W. Roberts, MD, FAPM
- Ezekiel J. Emanuel, MD, PhD
- Paul Root Wolpe, PhD

Based on over 340 abstracts submitted for the meeting, we will have a wealth of ideas and research information to absorb from concurrent paper sessions, a poster session, workshops, and symposia. The Hackett Award lecture by Dr. James Rundell, the Dlin/Fischer lecture by Dr. Dimitry Davydow, and the Research Award lecture by Dr. Scott Kim will be highlights. The Awards & Fellowship Convocation luncheon on Friday will provide an opportunity to recognize colleagues’ contributions to our specialty.

As the next ABPN subspecialty examination in Psychosomatic Medicine is scheduled for 2013, the APM will be offering a full-day Updates in Psychosomatic Medicine course as well as eight half-day advanced skills courses on Wednesday, November 14. Please see descriptions of the nine courses at Pre-Conference Courses.

At the end of this meeting participants will be able to:
- Describe the most recent research findings and clinical areas of interest in psychosomatic medicine.
- Analyze the different perspectives of psychosomatic medicine in diverse populations of patients across the lifespan.
- Understand concepts in integrated care and describe models using integrated care.
- Apply ethical principles to complex patient care issues.
- Improve ability to integrate research findings into patient care.

Membership Has its Benefits!

Since 1954, the Academy of Psychosomatic Medicine has served as a meeting ground for collaboration and exchange of knowledge and ideas in the field of psychosomatic medicine and consultation-liaison (C-L) psychiatry. We welcome and encourage professionals and trainees with an interest in consultation-liaison psychiatry/psychosomatic medicine to become a member of the APM. For membership details, please visit www.apm.org to join and start receiving some of the great membership benefits listed below.

As a member you receive the following:

- A subscription to our premier medical journal, *Psychosomatics*, online access to two additional related journals, and 25% discount on selected books published by Elsevier, Inc.
- An annual scientific meeting. Members save over 25% on annual meeting registration fees.
- Introduction to and interaction with special interest groups.
- Opportunities to participate in the Academy’s committee structure.
- A distinguished Fellowship and awards program.
- The Academy’s newsletter.
- Increase your knowledge & network with your peers and leaders in the field of Psychosomatic Medicine.

THE FOUNDATION OF THE ACADEMY OF
PSYCHOSOMATIC MEDICINE

— SUPPORTING THE MISSION OF THE ACADEMY OF
PSYCHOSOMATIC MEDICINE

In June 2009, the APM Council created a 501(c) (3) charitable, education, and scientific foundation with the primary purpose of supporting the Academy’s education and research programs and activities through fundraising. This new organization is called the Foundation of the Academy of Psychosomatic Medicine (fAPM).

Fundraising

During the APM annual meetings in 2009 and 2010 live and silent auctions were held to help raise money for the Foundation. The activities were a success and we thank our members for their support.

At this year’s annual meeting, the Foundation will again be hosting a live auction. Our live auction will take place Thursday evening during the APM Welcome Reception at the Westin Buckhead.

Educational Mission

One of the educational missions of the APM is to foster the development of exceptional early-career PM psychiatrists via the William Logan Webb Fellowship. Our hope is that the Foundation will be able to obtain charitable donations sufficient to endow the Webb Fellowship and guarantee that it continues in perpetuity.

Donations

If you care to donate to the Foundation, complete the donation form on the next page and mail to our office at:

fAPM | 5272 River Road | Suite 630 | Bethesda, MD 20832.

or
scan and email to foundation@apm.org.

While attending the meeting feel free to drop off your donation at the Foundation Booth in the registration area. A $500 or more donation automatically enrolls you in the Presidents Club. Both the Academy and the Foundation thank you for your generous contribution and support.
