CHAPTER IX. AMENDMENTS

Section 1.1

Changes to the Certificate of Incorporation or bylaws may originate in the Council by a majority vote or by the petition of one hundred (100) voting members of the Academy. Such a petition must be delivered to the Secretary and placed on the agenda of the next annual or mid-year Council meeting.

Section 1.2

Proposed changes to the Certificate of Incorporation or bylaws will be publicized to the membership at least two months prior to the annual business meeting when a vote is to be taken, or before an electronic proxy ballot is sent out. Reasons for the proposed amendments will be included in the published materials and, if the amendment originates outside the Council, the recommendations of the Council for or against the proposal, will be published.

Section 1.3

At an annual or other meeting a proposed amendment to the Certificate of Incorporation or bylaws that has been duly publicized may have wording added, deleted or changed by a majority vote of those present and voting, provided the original meaning and intent is not changed. Passage of the proposed changes at the annual business meeting will be by a majority of voting members present. If the Council directs that the changes be submitted to the entire voting membership by electronic proxy ballot,

providing a quorum of one hundred (100) voting members of the Academy is satisfied, a majority of those voting will be necessary for passage.

Section 1.4

If passed, changes to the Certificate of Incorporation or bylaws take effect immediately unless otherwise provided in the amendment.
