On behalf of the Academy of Psychosomatic Medicine, we're happy to welcome you to our 62nd Annual Meeting at the Hilton Riverside Hotel, located in the fabulous city of New Orleans, home to world-renowned jazz, world-class cuisine, and a world of diverse culture. This is the setting for what promises to be a compelling and truly educational Scientific Program.

APM President Cathy Crone, MD, FAPM, has chosen a conference theme of The Art and Science of Communication in Psychosomatic Medicine. Annual Meeting Chair Philip Bialer, MD, FAPM, working with an extremely dedicated and talented Annual Meeting Committee, has labored for the last year to realize Dr. Crone's vision.

Communication is at the very heart and soul of what we all do as Psychosomatic Medicine Psychiatrists. Our consultations begin by communicating with our med/surg colleagues to better understand and clarify their concerns and questions. The communication continues at an intense level as we assess and treat our patients and discuss our findings and recommendations. We also face external pressures to tailor our communications to the demands of the electronic medical record.

Here's a preview of what you can experience at the 2015 APM Annual Meeting:

- ✿ An all-day preconference "Essentials in Psychosomatic Medicine" course, featuring 11 expert speakers teaching the most up-to-date information in core topics; in addition we are offering seven skills-based courses for a more in-depth exploration of challenging areas of psychosomatic medicine
- ✿ An **APM-members only** event on Wednesday evening: Collaborative Care Forum: Joint APM/APA Efforts to Define and Optimize the Roles of Psychiatrists, featuring James Rundell, MD, FAPM, and Lori Raney, MD
- ✿ The President's Symposium, Part 1 will feature James Griffith, MD, presenting "Mobilizing Hope in the Face of Despair: Applying Social Neuroscience at the Bedside". Then we are honored to hear from Rita Charon, MD, PhD, the director of the Program in Narrative Medicine at Columbia University. Following her talk; "Writing One's Mind in the EHR", Dr. Charon will conduct a workshop giving participants an opportunity to put their narrative writing skills into practice
- ✿ The President's Symposium, Part 2 featuring Grayson Norquist, MD, MSPH talking about "Improving Clinical Communication Through a Patient-Centered Approach" and finishing up with Dennis Novack, MD an internist and fellowship graduate of Engel's Medical Psychiatry Liaison program at the University of Rochester discussing "Psychosomatic Medicine, Communication, Professional Formation"
- ✿ 160 scientific posters; 45 oral papers, including the Webb Fellows' presentations; 46 general sessions
- ✿ A return of the successful 2-hour "Research for Researchers" workshop specifically designed to nurture the aspirations of mid-level and senior psychosomatic investigators
- ✿ Myriad social events including a Creole River Cruise sponsored by the APM Foundation to promote networking opportunities for both experienced and new meeting attendees
- ✿ Up to 31 hours of CME credit that can be earned over the four days of the meeting

With hundreds of abstract submissions, the competition for a place on the program was intense. We have selected the very best that will offer you a wealth of ideas and a cornucopia of cutting-edge research in venues ranging from plenaries and a poster session, to general sessions, and a concurrent paper presentations.

We look forward to engaging with you in this compelling and mind-expanding program, the pinnacle of APM's year, a testimony to the vitality of our organization and its importance in our professional lives.

ACCREDITATION

ACCME Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of The Medical College of Wisconsin and the Academy of Psychosomatic Medicine. The Medical College of Wisconsin is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation Statement

The Medical College of Wisconsin designates this Live Activity for a maximum of 31.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Hours of Participation for Allied Health Care Professionals

The Medical College of Wisconsin designates this activity for up to 31.00 hours of participation for continuing education for allied health professionals.

Learning Objectives

At the end of this meeting participants will be able to:

- Apply patient outcomes research findings to clinical care scenarios for persons with comorbid psychiatric and general medical conditions.
- Approach the hospitalized, demoralized patient with bedside therapy techniques.
- Appreciate the importance of patients' stories – their psychosocial narratives – in tailoring individualized treatment plans responsive to their personal needs.
- Define the intersection of communication in Psychosomatic Medicine and professional formation
- Improve and expand knowledge about improving the medical outcomes of chronically and persistently mentally ill patients.
- Describe the impact of the electronic medical record on doctor to doctor communication.

THANKS FOR JOINING US IN NEW ORLEANS!

THINGS TO DO IN NEW ORLEANS

ACTIVITIES FOR FAMILIES

Audubon Zoo: 6500 Magazine St. (Uptown): Located in beautiful Audubon park, great place for families. Check out the Louisiana Swamp exhibit!

Audubon Aquarium: 1 Canal St. (Quarter): Interactive aquarium, includes exhibits on the Mayan reef and Gulf of Mexico.

Insectarium: 423 Canal St. (Quarter): Check out bugs from all over the world! You can even sample some gourmet insects at Bug Appetit.

Louisiana Children's Museum: 420 Magazine St. (Warehouse District): Award-winning interactive children's museum. Currently featuring a video exhibit on children's resilience after Katrina.

MUSIC Daily music listings can be found at wwoz.org

Frenchmen St: Main stretch of jazz clubs located just east of the French Quarter. Try Spotted Cat, DBA, Apple Barrel, Blue Nile, Snug Harbor

Le Bon Temps: 4801 Magazine St (Uptown): Uptown dive bar and music venue. Brass band The Soul Rebels play every Thursday night.

Maple Leaf: 8316 Oak St (Uptown/University): Popular NOLA music venue. Rebirth Brass Band plays to crowds every Tuesday.

Vaughns: 4229 Dauphine St (Bywater): NOLA jazz and blues club with cheap drinks and interesting characters.

Tipitina's: 501 Napoleon St (Uptown): Class NOLA venue for live music and dancing

Preservation Hall: 726 South Peter St. (French Quarter): Traditional New Orleans jazz venue, founded in 1961.

ACTIVITIES FOR EVERYONE

National WWII Museum: 945 Magazine St. (Warehouse District): Great for history buffs, designated by Congress as the nation's World War II museum. Multiple interactive attractions, including 4-D movie featuring Tom Hanks.

City Park: 1 Palm Dr. (Mid City): One of the nation's oldest urban parks. Features a kid's amusement park, golf and mini golf, botanical garden, tennis court, kayaking, and is home to the New Orleans Museum of Art.

Tours: There are a number of options for walking tours, including ghost, cemetery, neighborhood, cocktail, and swamp tours. Check out <http://www.neworleans.com/tours/> for some options.

Plantations: There are a number of antebellum plantations within 1 hour of New Orleans. Check out options for tours here: <http://www.neworleansonline.com/neworleans/tours/plantationtours.html>

SAFETY

- ▶ iPhones and smart phones have been the target of thieves and can distract you from what's going on around you. Be aware of your surroundings when walking and using your smart phone.
- ▶ Consider removing your convention badge when leaving your meeting venue
- ▶ Keep purses strapped across your body rather than over your arm. Keep wallets in your front pockets
- ▶ Avoid walking alone, especially at night. Stay with a group or take a cab.
- ▶ If you are intoxicated or feel uncertain of your surroundings please take a taxi instead of walking.
- ▶ Try to avoid Bourbon Street after midnight.
- ▶ If approached by strangers for con games such as, "I bet I can tell you where you got your shoes," do not participate. Simply smile and walk past them.

RESTAURANT SUGGESTIONS

RESTAURANTS

\$\$\$

Commanders: 1403 Washington Ave. (Garden District): Classic New Orleans restaurant with impeccable service. Try to go for their famous weekday lunch and 25 cent martinis.

Galatoires: 209 Bourbon St. (French Quarter): Another NOLA classic. Reservations can be made for the upstairs dining room, downstairs is first-come first-serve.

Antoines: 713 St Louis St (French Quarter): Another classic, French Creole establishment in the quarter.

Restaurant August: 301 Tchoupitoulas St (Central Business District): Chef John Besh's upscale flagship restaurant, contemporary French food with southern influences.

\$\$

Peche: 800 Magazine St. (Warehouse district): Chef Donald Link's seafood restaurant. Winner of James Beard Best New Restaurant 2014.

EAT: 900 Dumaine St. (French Quarter): Charming modern NOLA restaurant in the quiet part of the quarter. BYOB!

Franklin: 2600 Dauphine St (Marigny): Cool restaurant in the hip Marigny neighborhood, with great small plates and craft cocktails.

Shaya: 4213 Magazine St (Uptown): Hot new restaurant serving modern Israeli food. Chef Alon Shaya won the 2015 James Beard Award for Best Chef in the South.

Dragos: Hilton Hotel Riverside (Downtown): Local seafood chain, located in the host hotel. Try the charbroiled oysters.

Domenica: 123 Baronne St. (Downtown): Located in the beautiful Roosevelt hotel, this restaurant from NOLA's John Best serves pizza and modern Italian food. Happy hour, with half price pizza and drinks, is 7 days a week from 2-5.

Carrolton Market: 8132 Hampson St (Uptown/Riverbend): Modern comfort food focused on local ingredients. Menu changes seasonally.

Elizabeths: 601 Gallier St (Bywater): Located along the Mississippi across from the new Crescent Park. Laid back and quirky, serves 3 meals/day, but known for brunch. Try the praline bacon.

\$

Felipes: 301 N Peters St. (French Quarter): Local chain of casual counter service Mexican food.

Yo Mama's: 727 St Peter St (French Quarter): Dark New Orleans dive bar in the heart of the quarter. Known for its burgers, especially the Peanut Butter Burger

Lucy's Retired Surfers Bar: 701 Tchoupitoulas (Warehouse District): Popular beach-themed bar with full menu, brunch on the weekends. Popular place for Saints games.

Parkway: 538 Hagan Ave (MidCity): There are a lot of places in NOLA to get a po-boy, Parkway is one of the best. Open since 1911.

The Joint: 701 Mazant St (Bywater): Popular place for BBQ in New Orleans.

Pizza Delicious: 617 Piety St (Bywater): Relatively new New York style pizza place that lives up to its name, won Best Pizza in NOLA in 2015.

Café Dumonde: 800 Decatur St. (Quarter): Can't visit NOLA without a stop here for their famous beignets. Open 24 hours.

BARS

Pat O's: 718 St Peter St. (French Quarter): New Orleans institution, famous for their Hurricane. Check out the tropical patio or catch some tunes at the piano bar.

Napoleon House: 500 Chartres St. (French Quarter): Classic NOLA bar in the quarter, established in 1914. Famous for their Pimm's cup.

Mimis: 2601 Royal St (Marigny): Divey neighborhood bar with comfortable atmosphere, great tapas upstairs.

Bacchanal: 600 Poland Ave (Bywater): Grab a bottle of wine from this quirky wine store and enjoy it on the patio, which features live music nightly. Also has full bar and food upstairs.

Delachaise: 3442 St. Charles Ave (Uptown): Cozy wine bar with excellent tapas.

Columns: 3811 St. Charles Ave. (Uptown): Enjoy a drink in the beautiful lounge of this classic New Orleans hotel, built in 1883.

Supporting the Mission of the Academy of Psychosomatic Medicine

In June 2009, the APM Council created a 501(c) (3) charitable, education, and scientific foundation with the primary purpose of supporting the Academy's education and research programs and activities through fundraising. This organization is called the Foundation of the Academy of Psychosomatic Medicine (fAPM).

Annual Funding Campaign

Join us as we kick off our Annual Funding Campaign! ALL contributions, regardless of size, will help us achieve our commitment to future leaders in our field and ensure our continued impact as we move the cause of integrated care forward.

Having full participation sends a strong message about our collective commitment to our mission, enabling us to solicit larger grants from individuals and institutions that have interest in our work. And your gift is tax-deductible!

Educational Mission

The Foundation of the Academy of Psychosomatic Medicine supports the Academy's commitment to:

- Fostering ongoing career development and recognizing significant contributions to the field, through endowed funds like the Lipsitt Award
- Developing leaders in Psychosomatic Medicine, by supporting programs like the Webb Fellowship, which provides younger members with mentorship and opportunities for leadership
- Supporting the academic growth and development of trainees through programs like the Trainee Travel awards, which provide funding for selected trainees to attend the annual meeting
- Support for ongoing access to major researchers in our field for education and mentorship of trainees and early career members. In the spirit and honor of Wayne Katon, whose career was dedicated to clinical research, we invite you to support our newly established Research Support Fund

Donations

Both the Academy and the Foundation thank you for your generous contribution and support. Help us reach our Annual Funding Campaign goal: donations may be made online at apm.org/foundation and click **Donate Now**.

APM DISCLOSURE REPORTING

The Academy of Psychosomatic Medicine requires disclosure by all program planners and presenters of CME activities of any financial or other affiliation with commercial organization(s) that may have a direct or indirect interest in the subject matter of the educational activity. A “financial interest” may include, but is not limited to: being an employee and/or being a shareholder in the organization; being on retainer with the organization; or having research or honoraria paid by the organization. An “affiliation” may include holding a position on an advisory committee, speakers’ bureau or some other role or benefit to a supporting organization.

APM administers a process by which potential conflicts are identified and resolved prior to the educational activity. Furthermore, the audience of each session must be informed of the presenters’ or program planners’ affiliations with every commercial interest by acknowledging such in the printed program and orally or visually (incorporated into slide presentation) at the start of a session.

APM only identifies active disclosure information, meaning that the absence of a speaker from this list indicates that neither they nor an immediate member of their family have any relationship to disclose.

A Guide to Using the APM 2015 App

STEP 1

Download the “APM 2015” app from the Apple App Store or Google Play Store. To start using the app, select “Login” and enter your **username** (your email) and **password** (emailed to you).

STEP 2

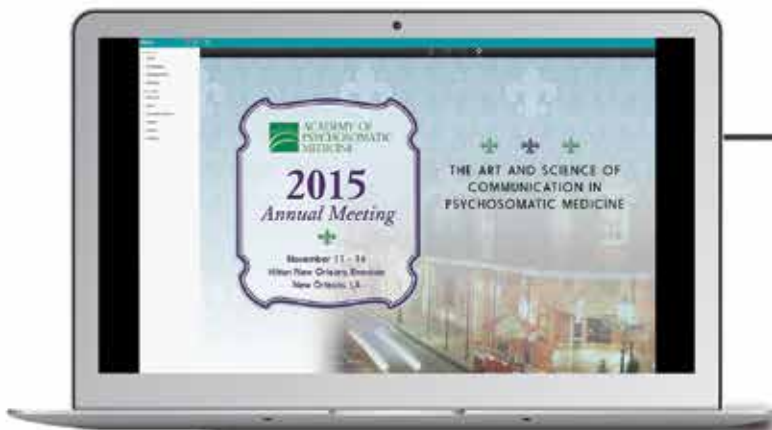

Find the presentation you want quickly and interact with the presentation slides by **drawing on slides and highlighting text**. Use the note-taking mode to **type your notes next to each slide**.

Please note that you will need a wifi connection to download all slides.

STEP 3

If you don't have a device that is able to download apps, you can use your laptop. As long as you have an internet connection, you can take notes on presentations through your laptop, or access slides following the conference on a laptop or desktop via the following website link: <http://bit.ly/1WRajmq>. If you already have an account on a mobile device, use the same account information that was emailed to you. Otherwise follow the steps to create an account.

Membership Has its Benefits!
